

## Ozone Premium

### CELL U GO 200ML

#### Main Purpose

- Open lymph glands
- Rid body of toxins
- Enhances blood circulation
- Reduce water retention
- Reduce cellulite

#### Description

An aroma therapeutic blend of highly active diuretics, consisting of rosemary, black pepper, lemon, juniper, geranium, lavender, fennel, grapefruit and eucalyptus.

These active oils find "entrance" and absorption to the human body via hair follicles and ad- cohesion powers between oils.

Warm the skin with a brush to enhance blood circulation.

Apply to problem areas in the direction of the heart.
